...a newsletter to inform the school community about the day to day life of our school.

A word from the head.....

The end of the school year has finally arrived. After what has been another demanding, yet rewarding year, the staff and pupils are well in need of the break.

Reflecting back on the year there have been so many exciting and amazing events for the children; with the school being represented at numerous activities, festivals, performances, sports events etc.

Sports Day was a great success and enjoyed by parents, staff and pupils. Thank you to Mr Radley for his organisation of the event this year. Well done to Donaldson on winning the 'Sports Day' trophy. The new 'House Point Captains' have been selected and will be announced at The Leaver's Assembly today. We look forward to them taking up their positions of responsibility in September.

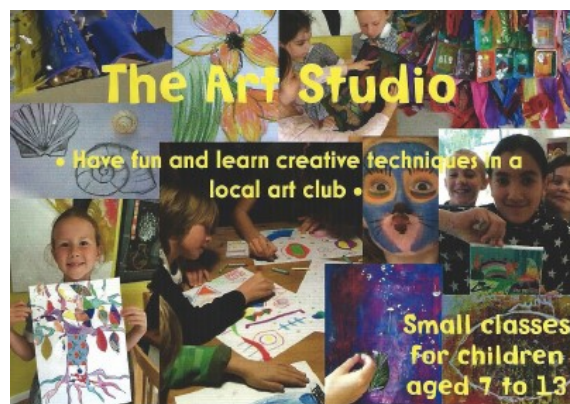

The performances of The Zany Zoo were a fantastic celebration of the wealth of skills the children at Glenfall have. Every child in Y6 participated and there were huge personal successes for some children who never thought that they would have the confidence to perform. The singing, dancing and drama made it a roaring success. Well done to all involved, particularly Miss O'Connor and her team.

The musical evening at Holy Apostles was also a delight to watch. The musical talent in the school is staggering and it is great to see so many children enjoying playing a musical instrument. Mr King has been the driving force behind this and he will be leading the school orchestra again next year.

This week we have also said 'goodbye' to Mrs Tague as she retires after 22 Years of service at Glenfall Primary School. We hope she enjoys her retirement but hope to see her back at the school from time to time for a cup of tea and a chance to catch up with friends. We also said goodbye to Mrs Brettingham who has worked at the school for 8 years and has also retired. I would like to thank the staff and parent community for all their support in ensuring that the children at Glenfall have the opportunity to participate in such an array of enriching activities.

I hope that you all have a fantastic summer holiday and that the children come back rested and ready for an exciting new year ahead. I will keep my fingers crossed that the recent good weather of late continues well into the summer break.

The Art Studio activities include learning to draw, paint, print and collage, all in a relaxed environment, with the emphasis on fun and exploration.

The classes will give your child the opportunity to discover their creativity and develop a deeper understanding of the world around them.

Nicky is a painter and qualified primary school teacher and has taught art for over twenty years. Having set up and run an art department in a large international school, she is now teaching art to children in her own home in Charlton Kings. Nicky is DBS-checked and fully insured.

Thank you

I would like to thank FrOGS for supporting the school throughout the year but especially at the end of this busy term.

I would also like to thank FrOGS on behalf of myself and the Y6 parents for paying for 'The Leavers' Hoodies and USB drives for all Y6 Leavers. This is something very special and as a school we are grateful for your support in this area, as I know lots of other schools ask parents to pay for these.

Gloucestershire Libraries are calling for children to sign up to read six books this summer as part of Mischief Makers, Summer Reading Challenge 2018.

The theme for the 2018 Summer Reading Challenge is Mischief Makers, inspired by the much-loved children's title Beano, which celebrates its 80th anniversary.

To take part in Mischief Makers, all children need to do is sign up at their nearest library.

School Council News

The School council is made up of two children from each class from Year 1 to Year 6. They are helped and organised by Mrs Nye.

This year School council have been doing some amazing things.

First of all we introduced 'Friend of the Week'. Children nominate someone who has been kind or thoughtful and we take it in turns to present them with a certificate and a sticker in Friday's celebration assembly.

For Children in Need this year we organised lots of activities to raise money such as, 'Guess the baby photo', a treasure map, a cake stall and 'Guess the name of the teddy'. We all really enjoyed this and we raised lots of money for Children in Need.

After Christmas we organised an Eco friendly project. We did a litter pick outside of school and on one day we turned the heating down and came to school in onesies. We made hot chocolate for everyone to warm them up! In the Spring term we helped the Sports committee to organise a mile run around the school – we were stewards.

After Easter we started composting grass, leftover fruit and shredded paper. This will be ongoing next year.

This term we have done another litter pick and have been doing regular toilet checks to see who will win 'Toilet of the term' We decorated cupcakes for the winning team. We have been so busy. We have all really enjoyed school council and we hope that next year will be just as good!

Worried how you're going to juggle work & the kids this Summer? We can help.

Dear Parent,

It's OK, you can breathe a sigh of relief, because this Summer Holidays we're running our fun-packed holiday course at the school. If your child's been to SuperStars before, they'll probably be shouting, "Book me a place now!" How do we know? Because in 2017, more than **7,500 children** gave our courses the double thumbs-up. So, we're a hit with the kids.

We want to be a hit with you too

With lots of parents, we already are. In fact, **95.6% of those we asked said they'd recommend our courses to a friend.** And we get lots of positive feedback, like this from a parent in Cheltenham: "From my child's point of view SuperStars is exciting, fun and enjoyable. From my point of view, it's safe, well-organised and affordable. We're both very happy."

We run all our holiday courses on school sites. We do this so the children are in a familiar environment, often with their friends. All of our staff provide specialist support in schools during term time, so there's every chance you and your child will know the course leader too.

Using school sites also helps your mornings run smoothly as you can keep to your normal routine. And it keeps the cost of our courses down, as we're not paying high commercial rents. Savings we pass straight on to you.

SuperStars. Good for you, a blast for your kids

We help children get active, have fun and learn new skills, in a place where they feel safe and secure. And, because we know juggling work and family is sometimes hard, we make the holidays easier for you too. Turn the page now and find out how to book.

Yours,

Curtis Ivin

Five reasons why you should choose SuperStars this Summer

1. We've been running holiday courses since 2005, so have a wealth of experience.
2. All our coaches are qualified, enthusiastic and committed to helping children develop bright futures.
3. We run smaller courses, usually for around 20-30 children. This means you can be sure we'll get to know your child and will give them individual attention.
4. All our staff have current, enhanced DBS checks. And all our courses are approved and regulated by CB Childcare Consultancy, an external child safety provider.
5. We offer more than 40 sports and games, suitable for girls and boys of all ages. We'll encourage your child to be active, try something new and be the best they can be. We want them to leave us with new confidence, feeling proud of what they've achieved.

We need to make sure we have the correct ratio of staff to children for our courses. If you book late or on the day, we may need to add extra cover at short notice. If we have no staff available we may not be able to accept your child on the course.
