A word from the head.....

All of the KS1 and KS2 SATs have now been completed. The children have all worked very hard and approached the tests with a great attitude. The work we have done with the children on having a positive mind-set really appears to have taken effect; as some of the pupils expressed the importance of not giving up even if the going gets tough. Well done to all of the children we all feel very proud of you.

Could I please remind parents that if you are stopping after school to use the field and outdoor equipment that you must supervise your children. All children should be being supervised by their parent or an adult who is collecting them from school. Please do not allow your children to go into Forest School. Please do not allow your children to climb in the trees on the field. Could you also ensure that your children do not interfere with the clubs that are going on the field after school. Thank you for your understanding and support.

We have had a busy week on the sports field and in the pool. We have been represented at a rounders tournament, an athletics meeting at St Edwards and the Cheltenham School Swimming Gala at the leisure centre. The children all competed hard and represented the school well. We received some very positive comments regarding our pupils and what good sporting attitudes they had. The girls running teams did really well securing bronze and silver medals in the relays and long distance runs. Thank you to all the teachers for giving up their time to support these events.

I can't believe that we are heading into May half term and that this academic year is nearly finished. I hope that you all have a great half term and enjoy some valuable family time together.

A few reminders.....

- France residential. Don't forget that you can make regular payments to suit your circumstances. The final payment is due by September
- School starts again on Monday 4th June

Have a great weekend!

The Royal Wedding street party and picnic was a great success.

The children, and staff, had a great time eating in the sun at lunchtime. Thank you to the Lisa, Karren and Lynne in the kitchen for preparing the picnic lunch. Many thanks to all of the staff for setting up the street party in time for lunch.

Sun Sense

As the weather is starting to improve you may wish to send your child with a sun hat, glasses and cream for lunchtimes. Children must be able to apply the cream themselves. Maybe consider putting sun cream on them in the morning.

My girls, aged 5 & 8, both love Just Camps. The coaches are fantastic and the kids 'going for gold' scheme is a great idea. My eldest son really wanted to become a mini coach last summer. Good mix of sports and other activities. Something for everyone.
