A word from the head.....

All of the KS1 and KS2 SATs have now been completed. The children have all worked very hard and approached the tests with a great attitude. The work we have done with the children on having a positive mind-set really appears to have taken effect; as some of the pupils expressed the importance of not giving up even if the going gets tough. Well done to all of the children we all feel very proud of you.

Could I please remind parents that if you are stopping after school to use the field and outdoor equipment that you must supervise your children. All children should be being supervised by their parent or an adult who is collecting them from school. Please do not allow your children to go into Forest School. Please do not allow your children to climb in the trees on the field. Could I also

ask that you ensure that your children do not interfere with the clubs that are taking place on the field after school. Thank you for your understanding and support.

We have had a busy week on the sports field and in the pool. We have been represented at a rounders tournament, an athletics meeting at St Edwards and the Cheltenham School Swimming Gala at the leisure centre. The children all competed hard and represented the school well.

We received some very positive comments regarding our pupils and what good sporting attitudes they had. Thank you to all the teachers for giving up their time to support these events.

I can't believe that we are heading into May half term and that this academic year is nearly finished. I hope that you all have a great half term and enjoy some valuable family time together.

Have a great half term
Anthony Mitchell

The FrOGS Summer Fair is on
29th June 12pm - 2pm. More
information to follow in future
newsletters.

Ground Force Day New Date—22nd June

If you would like to help out at this event and can make the date, please return the reply slip to school as soon as possible. Parents and pupils are all welcome to help out

The school will provide any paint and materials but we do ask that any helpers bring brooms, paint brushes, shovels, gloves, hedge trimmers etc. Over the next few weeks I will make a list of tasks to be completed and parents can drop in and out during the day for as long or as little time as you can spare. You are welcome to bring a picnic and weather permitting you can make use of the school field.

UPDATE YOUR DETAILS

A few things.....

Disabled Parking Bay

Could all parents respect the use of the disabled parking bay which is marked on the road at the front of the school. A parent has reported to me that they recently suggested to another parent that they shouldn't park in it as it was needed by another parent who had mobility issues and that they were met with an unpleasant reply. Please be mindful of the needs of other parents within the school community.

Battery Recycling

Don't forget that you can recycle your old batteries at the school. Please use the recycling container in the school entrance. We have filled one container already!

Healthy Lunch Boxes and Morning Snack

Please ensure that your child is provided with a balanced packed lunch and a healthy morning snack. We have started to see an increase in sugary snacks and chocolate bars. Chocolate biscuits as part of a packed lunch are fine but chocolate bars are not. Fruit, vegetables and cheese are great for morning snacks.

Eco-Club

The Eco-Club have been bust once again this term. They completed another litter pick in the local area and have set out their plan for other eco activities over the coming term. They have proposed that we have a 'no printed sheets day'

Glenfall Pre - School have had a shed donated to them to store some of their outdoor equipment in. However, they require some help to get it to the school. If you are able to help and have a vehicle or access to a vehicle which could transport a shed please get in touch with either Mr Mitchell of any members of the Pre - School Team.
