## A word from the head.....

Well, its hard to believe that we are approaching Midsummers Day! The weather is certainly playing a cruel trick on us. It has been so wet! We have had more wet playtimes in the last two weeks than we had over the whole of the winter. Hopefully things will pick up soon and we can enjoy some warmer weather.

Last weekend the school was open to the public for Cheltenham Open Studios and it was great to see lots of people enjoying creating some lovely pieces of unique artwork. We were hoping to paint the giant mural in the playground but we were beaten by the weather. However, the artists will be coming back before the end of term to complete the work. As part of COS19 7 children were invited to attend an Illustration Workshop at the University of Gloucestershire having entered a competition to design a labour saving invention. They also got to see how their work had been incorporated into a mural as part of the Graduate Exhibition.

Sports Fest also took place last week with children enjoying activities that included, climbing, cycling, smoothie making, dance, fruit kebabs. It was a great success and something that we would like to do again. Thank you Mr Radley for organising the event. The school was also

represented at the Cheltenham Schools Rounders Festival. Well done to the team who played so well in a sporting manner representing the school well. Next week the school will be participating in the Prince of Wales Athletics Competition.

Science Week was also a massive success with children enjoying trips to The Cheltenham Science Festival and visits into school from The Cheltenham Science Group and Mini - Professors. Thank you Mrs Uppal for organising a great array of events.

There are lots of events ahead in the coming weeks so I hope the weather does improve and we can enjoy being outside a bit more.

**Have a good weekend - Anthony Mitchell**

The FrOGS Summer Fair is on 29th June 12pm - 2pm. More information to follow in future newsletters.

## Ground Force Day Saturday 22nd June

If you would like to help out at this event and can make the date, please return the reply slip to school as soon as possible. Parents and pupils are all welcome to help out

The school will provide any paint and materials but we do ask that any helpers bring brooms, paint brushes, shovels, gloves, hedge trimmers etc. Over the next few weeks I will make a list of tasks to be completed and parents can drop in and out during the day for as long or as little time as you can spare. You are welcome to bring a picnic and weather permitting you can make use of the school field.

## A few things.....

### Battery Recycling

Don't forget that you can recycle your old batteries at the school. Please use the recycling container in the school entrance. We have filled one container already!

### Year 6 Parents

As we approach the end of term I am now looking to collect some photographs of the children when they were Reception or Year 1 (either from Glenfall or their previous school). This is particularly important for children who joined Glenfall after Y1. I am also looking for a whole class photograph from Reception at Glenfall. Please either send in a hard copy of any photographs which I will scan and return or send a picture by email to [head@glenfall.gloucs.sch.uk](mailto:head@glenfall.gloucs.sch.uk)

### Sports Day

Sports Day will be taking place on 28th June 9.15 - 11.15. Please make sure that your child has a T-Shirt in the colour of the house that they are in. If the weather is against us on that day we have set a reserve date of 4th July at 9.15 also.

Looking for an 'Outstanding' multisports holiday course this summer holidays? We can Help.

Dear Parent / Guardian,  
 It's OK, you can breathe a sigh of relief, because this summer we're running our fun-packed holiday course here at your school. If your child's been to SuperStars before, they'll probably be shouting, "Book me a place now!" How do we know? Because in 2018, more than 8,000 children gave our courses the double thumbs-up. So, we're a hit with the kids.

### We want to be a hit with you too

With lots of parents, we already are. In fact, 96.7% of those we asked said they'd recommend our courses to a friend. And we get lots of positive feedback, like this from a parent in Cardiff: "From my child's point of view SuperStars is exciting, fun and enjoyable. From my point of view, it's safe, well-organised and affordable. We're both very happy."

We run all our holiday courses on school sites. We do this so the children are in a familiar environment, often with their friends. A lot of our staff provide specialist support in schools during term time, so there's every chance you and your child will know the course leader too.

Using school sites also helps your mornings run smoothly as you can keep to your normal routine. And it keeps the cost of our courses down, as we're not paying high commercial rents. Savings we pass straight on to you.

### SuperStars. Good for you, a blast for your kids

We help children get active, have fun and learn new skills, in a place where they feel safe and secure. And, because we know juggling work and family is sometimes hard, we make the holidays easier for you too. Turn the page now and find out how to book.

6. All our coaches have current, enhanced DBS checks. And all our courses are approved and regulated by an external child safety provider
7. All our coaches are qualified, enthusiastic and committed to helping children develop
