

# Glenfall News

...a newsletter to inform the school community about the day to day life of our school.

Friday 17th June 2022

## A word from the head.....

I can't believe that we are racing towards the longest day of the year (21st June) and that we are already only five weeks away from the end of the academic year. It's a busy time of year in school and there are lots of events taking place this term.

Last weekend, FrOGS held the first Summer Fair since everything stopped because of COVID. The fair was the first one we have had for 3 years. It was a fantastic event and was so well attended by families past, present and future. The total raised was £3940. I would like to say thank you to all of you who attended the fair and generously supported the school. I would also like to say a huge thank you to the FrOGS team and all of the parent and staff volunteers who made it such a great event.

Last week, children from across the school marked Science Week with several events in school and also with Y3 - 6 attending the Science Festival in Cheltenham. Roaming Reptiles visited the school and all of the children got to see and handle a menagerie of reptiles including tarantulas, pythons, bearded dragons and a giant tortoise.

This week Y5 & Y6 visited The John Moore Contryside Museum in Tewkesbury to find out about life in Tudor times and in a few weeks the children in KS1 will be visiting the Cotswold Wildlife Park.

Next week the school will be being represented at the Prince of Wales Athletics competition where schools from across the town will compete in a range of athletic events. Good luck to the children who will be representing the school on Monday

Mr Radley will be participating in his own sporting event next week when he travels to Montreal, Canada, to represent Great Britain (in his age group) at the Triathlon World Championships. This is an amazing achievement and I am sure that you will all join me in wishing Mr Radley the very best of luck. #YesUCan

Have a great weekend - Mr Mitchell

## Grand Total

# £3940

## A-M-A-Z-I-N-G!

## Sun Sense

With the arrival of some hot sunny weather, could you please make sure that your child has a sun hat, water bottle, sun glasses (optional) and sun cream for lunchtimes. Children must be able to apply the cream themselves. If you are able to put sun cream on your child in the morning, this would be a great help.

- 20th July - Glenfall's Got Talent (Pupils only)
- 21st July - Whole school picnic
- Leavers Assembly at 1pm
- Term closes for the Summer Holidays at 2pm

## Summer Playscheme

Sam Clapham who runs breakfast club is considering running a summer playscheme during the first week of the summer holiday 25th—29th July. The playscheme would only run for 2 hours between 10am and 12pm and would cost £10 for the session (to include snacks). To help Sam gauge whether this is a viable proposal could you please complete the short form at the link below. Thank you

<https://forms.office.com/r/7yeDzW1TJT>

## A few things...

### Printer Ink Cartridge Recycling

We are now able to recycle your old printer ink cartridges. Please deposit your cartridges into the box in the reception area, next to the battery recycling. By donating your empty cartridges for recycling you will help to raise funds for the school as well as helping to save the planet.

### Battery Recycling

We now have a battery recycling point at the school. You are welcome to bring your old batteries to school to be recycled. You will find the battery recycling point in the entrance hall opposite the office.

### Parent Pay Debts

Please could all parents ensure that their Parent Pay accounts are in credit each week before children order their lunches.

If accounts begin to run into debt we will firstly ask you to clear the debt. If the debt is not cleared and begins to increase we may ask you to provide your child with a home packed lunch until the debt is cleared. If you are having difficulty clearing the debt, please come and speak to Mrs Stratford or Mr Mitchell to see if we can help.

# MIDSUMMER FIESTA
