

# THE FROGS PAD

WHERE IT ALL HAPPENS FOR THE SCHOOL CHARITY

## WHO ARE WE:

The Friends of Glenfall School (FrOGS) is the PTA charity. We organise events throughout the year to benefit the children and to bring the school community together. We are a friendly, welcoming group and would love to see our team grow with a mixture of parents/carers from all year groups. Its really important to future proof this group to continue all the great work for years to come. If you have any skills that may benefit the group then please contact us. Or let us know if you may be able to spare an hour a month for a great cause.

Contact your class rep or email us.

**Christmas Fair:** This is one of our biggest fundraisers and it can only happen if we have volunteers. The children love it and we can raise a lot of funds which will help subsidise schools trips which creates fabulous learning environments.

We also have a school wish list which includes outdoor learning equipment, classroom christmas presents.

A link will be sent round in Nov via class reps so that you can all sign up and help, every hour and every person counts!

**Xmas cards:** dont forget that the kids send home their xmas cards that you can purchase
