

**Year 2 Topic Homework: Summer Term 1 2026**

Africa

Please look at the suggested homework activities in the grid below and choose one to complete if you would like to.

Art	Choose an African animal and create a picture of it. You could use paints, pens, crayons or collage.
Science/Geography	Choose an African animal and research it. What makes it suitable for living in its environment? What are the main features of the animal's appearance? What is its diet? Plus any other interesting facts about the animal!
Geography	Find out about a landmark in Africa. Either print or draw a picture of it and create a fact file about it.
English	Write an acrostic poem about an African animal (where the letters of the name of the animal make up the first letter of each line of the poem).

When it is completed, please bring it into school so we can celebrate your hard work.

Thank you,

Mrs Woodman & Mrs Hatfield
